The Official Newsletter of Mossel Bay Golf Club

Dear Members

For this edition, I would like to focus a bit on the golfing operations side of our Club. We currently have 906 members at the Mossel Bay Golf Club. Of these, there are 818 regular members and 88 "swallows." A further point of interest shows that during 2021 we had record months for rounds played from May until November. This year, we continued on that trend with record rounds played in March, April, and May.

With this said, I would like to urge our members and visitors to ensure that you arrive at the course with enough time to sort out everything required before the start of your scheduled time. It is essential that you tee off on time, as this will greatly assist us with managing the pace of play.

We would further like to ask members to keep their place in the field and not to go ahead of players at the turn. We are in the process of changing your whole halfway house experience, and very soon, we will be able to have a much quicker turnaround time at the halfway stop.

On another important point, I would like to thank all the members for approving our 2023 Budget. This budget is definitely a working budget, and I look forward to a financial year at the Club where we can continue improving our service delivery and experience at the Mossel Bay Golf Club.

TELKAARTE

Die volledige invul van telkaarte toon 'n geringe verbetering, maar is nog steeds nie na wens nie.

Die huidige statistieke wat ons het, toon dat op hierdie stadium slegs 72% van alle kaarte volledig voltooi word. Die voltooiing van Allianse- (alliance) kaarte het ietwat verbeter en staan nou op 60%. Die persentasie Beterbal-kaarte (72%) en individuele kaarte (76%) wat korrek ingevul word, is egter nog ver van ons einddoel af.
